Subject: Camp fees

Date: Friday, July 10, 2020 9:16:56 AM

Warning: this message is from an external user and should be treated with caution.

My understanding of the new fee hike from now \$15 to \$25 is due to extra policing of extra vehicles. If there is a problem with extra vehicles it should fall on those people who bring in extra vehicles not single families or lone campers. The price for extra vehicles is \$20 or \$5. A cost of \$5 per vehicle should be adequate.
