Dear Vice Chair Forsburg Pardi and members of the Board.

As of February 26, 2024, there is one vacancy for a Certified Rangeland Manager (CRM) representative to the Professional Foresters Examining Committee (PFEC). Mr. Larry Forero is leaving his position on the committee and the CRM Panel has nominated Mr. David Lile as his replacement.

Mr. Lile has worked as a Range Conservationist, a Natural Resources Livestock Advisor, and also served for 10 years as County Director for UC Cooperative Extension in Lassen County, and the last 13 years as the Director in Plumas and Sierra County. He has a BS and MS in Range and Wildlands Science from UC Davis. See his attached curriculum vitae.

If the Board feels that Mr. Lile does not meet the qualifications for representing CRM interests on the PFEC, another individual must fill this position and a request for nominations will once again be made to the California Pacific Section of the Society of Range Management, the sponsoring professional society for the CRM Specialty.

Recommendations:

At this time, as Executive Officer for foresters licensing, I recommend the appointment of Mr. David Lile to the vacant CRM seat on the PFEC for a four-year term.

Please feel free to contact me at your convenience should you have any questions in regard to the above matters. Sincerely,

Dan Stapleton
Executive Officer, Foresters Licensing
