Re: “NOTICE OF PROPOSED ACTION: Registered Professional Forester and Certified Specialty Amendments, 2019”

Dear Mr. Hedge,

Our organization has reviewed the Board of Forestry’s proposed amendments to Title 14 of the California Code of Regulations (14 CCR, Division 1.5, Chapter 10). We wish to express our support for the amendments as proposed and agree with the Board of Forestry’s assessment that these changes provide important clarity regarding the regulatory provisions and disciplinary process applicable to Registered Professional Foresters (RPFs), Certified Rangeland Managers (CRMs), and potential additional Certified Specialists.

Thank you for the consideration and attention you have paid to this matter.

Sincerely,

Mindy Nicoletti
