Webcast via GoToWebinar

For the August 23, 2022 meeting, GoToWebinar.com will be used to conduct the PFEC meeting over the Internet. Committee Members may attend and participate remotely, as authorized by Government Code section 11133. The public may provide public comment during the public comment periods and otherwise observe remotely in accordance with Bagley-Keene Open Meetings Act as described below. If this agenda identifies one or more optional physical locations for this meeting, Committee members and members of the public may attend and participate in the meeting at those locations, which will be connected to the webcast. If the GoToWebinar teleconference is interrupted or terminated for any reason and cannot be restored quickly and without the loss of attendees and participating members, the meeting will be terminated and rescheduled. As stated on the Meeting Agenda, Board staff will address teleconference participants prior to normal Committee business to provide guidance on meeting format and stakeholder participation via teleconference.

Submitting A Comment: During the meeting, all participants using GoToWebinar will be muted by the meeting organizer. Participants will have an option to submit a comment, either by writing your comment or by directly addressing the members verbally. To submit a written comment, type the text of the comment in the “Questions” pane of the GoToWebinar interface. To submit a comment by verbally addressing the members, select the “Raise Hand” icon on the left-hand side of the GoToWebinar interface. The meeting organizer will call you by name and unmute you, so you can address the Committee members. If you are commenting verbally, please be sure to unmute your phone or device. An example image of the GoToWebinar interface is in Figure 1 at the end of this agenda. If the agenda identifies an optional physical location, members of the public attending at that location should physically raise their hand to indicate to staff at that location the desire to make a verbal comment. If your comment relates to a particular agenda item, please indicate your request to comment at the beginning of or during the consideration of that agenda item in order to ensure comments relate to the particular agenda item being discussed. If your comment relates to a topic within the PFEC’s jurisdiction and is not otherwise on the agenda, please indicate your request to comment during the Public Forum period, which will occur at the end of the meeting. The meeting organizer will manage the queue of comments. In addition, please see the section on Submission of Written Materials for information on submitting other written materials.

Audio recordings of the open session PFEC meeting may be preserved and available on the Board’s website. Due to space limitations on its servers, the Board does not preserve video recordings of meetings and/or audio recordings of its committee meetings or workshops.
