

BEVELRY HILLS/FRANKLIN CANYON AREA
Thomas Guide Page 592 E7
Areas 21, 22, 23

AREA DESCRIPTION:

The Beverly Hills/Franklin Canyon Area contains the lower portion of the Franklin Canyon Reservoir where the City of Los Angeles boundaries meet the City of Beverly Hills just North of Coldwater Canyon Drive and Beverly Drive (West) and to the East Loma Vista Drive. Coldwater Canyon Drive and Beverly Drive would be the main access to this location. This area contains medium to heavy brush with many narrow streets, roadways and private driveways. Many of the homes are located on ridges. The evacuating homeowners can create the potential for difficult access for all responding emergency apparatus.

SPECIAL CONSIDERATIONS:

- Number of residents – 902, Number of homes 697, Brush Area 0.9 sq. miles

EVACUATION OBJECTIVES:

- Evacuation of residents to non-hazardous areas
- Maintain clear access routes for emergency resource response
- Identify Primary/Secondary evacuation routes for canyon residents
- Develop traffic guidelines with PD/DOT control points
- Identify local and regional Red Cross Centers, Community Safety Areas
- Neighborhood Survival Sites for area residents

TRAFFICE PLAN OBJECTIVES:

- Prevent all traffic from entering the geographical area
- Prevent all northbound traffic and divert residents from area of impact
- Close northbound traffic at Beverly Drive and Sunset Blvd.
- Close northbound traffic at Benedict Canyon and Sunset Blvd.
- Close northbound traffic at San Ysidro Drive and Benedict Canyon Drive
- Close northbound traffic at Coldwater Canyon Drive and Beverly Drive
- Traffic southbound traffic on San Ysidro Drive continues south onto Beverly Drive
- Traffic southbound traffic on Benedict Canyon continues south onto Santa Monica Blvd.
- Traffic southbound on Beverly Drive continues south onto Santa Monica Blvd.

INITIAL PROPOSED PD/DOT TRAFFIC CONTROL POINTS

Benedict Canyon x Sunset	Rexford x Beverly Dr.
Whittier Dr. x Sunset	Foothill Rd. x Sunset
Doheny Rd. x Loma Vista	Sunset x Loma Vista

EVACUATION ROUTES:

Evacuation routes to be used by residents leaving the area of impact

Primary:

- West of Coldwater Canyon: take Coldwater Canyon or San Ysidro Drive south
- West of San Ysidro: take San Ysidro Drive or Benedict Canyon Drive south

Secondary:

- West of Coldwater Canyon: take Beverly Drive south

FIRE DEPRATMENT ACCESS:

Fire Department Access to the impact area

- **North:** Coldwater Canyon Drive
- **South:** Beverly Drive
- **East:** Sunset Blvd
- **West:** Sunset Blvd

BEVELRY HILLS / BENEDICT CANYON
Thomas Guide Page 592 E7
Areas 11, 12, 13, 14, 15, 16

AREA DESCRIPTION:

The Beverly Hills/Benedict Canyon Area is a north-south canyon that lies between Mulholland Drive (North) and Sunset Blvd (South), San Ysidro Drive to the (East) and Beverly Glen to the (West). This area contains medium to heavy brush. It is a densely populated area that maintains narrow streets, roadways and long private driveways. Many of the homes are located in the canyon and on ridges. Evacuating homeowners can create the potential for difficult access for all responding emergency apparatus. Utilizing Sunset Blvd. can manage access into this location.

SPECIAL CONSIDERATIONS:

- Number of residents – 978, Number of homes 542, Brush Area 0.8 sq. miles

EVACUATION OBJECTIVES:

- Evacuation of residents to non-hazardous areas
- Maintain clear access routes for emergency resource response
- Identify Primary/Secondary evacuation routes for canyon residents
- Develop traffic guidelines with PD/DOT control points
- Identify local and regional Red Cross Centers, Community Safety Areas
- Identify Neighborhood Survival Sites for area residents

TRAFFIC PLAN OBJECTIVES:

- Prevent Non-emergency traffic from entering the geographical area.
- Prevent all northbound and southbound traffic and divert residents from area of impact.
- Close all northbound traffic at Benedict Canyon Drive and Sunset Blvd.
- Close all southbound traffic at Benedict Canyon Drive and Mulholland Drive.
- Close all westbound traffic at Sunset Blvd and Beverly Drive.
- Close all eastbound traffic at Sunset Blvd. and Beverly Glen Blvd.
- Traffic southbound on Benedict Canyon Drive diverted east or west onto Sunset Blvd.
- Traffic northbound on Benedict Canyon Drive diverted east or west onto Mulholland Drive.

INITIAL PROPOSED PD/DOT TRAFFIC CONTROL POINTS

Benedict Canyon x Sunset	Benedict Canyon x San Ysidro
Sunset x Beverly Dr.	Sunset x Whittier Drive
Beverly Dr. x Rexford Dr.	Sunset x Foothill Rd.

EVACUATION ROUTES:

Evacuation routes to be used by residents leaving area of impact.

Primary:

- West of Benedict Canyon Drive: take Benedict Canyon Drive or Beverly Glen Blvd. south to Sunset Blvd.
- East of Benedict Canyon Drive: take Benedict Canyon north to Mulholland Drive or south to Sunset Blvd.

Secondary:

- East of Benedict Canyon Drive: take San Ysidro Drive south to Benedict Canyon Drive.

FIRE DEPARTMENT ACCESS:

Fire Department access to area of impact

- North: Benedict Canyon Drive.
- South: Beverly Glen Blvd.
- East: Sunset Blvd. or Mulholland Drive.
- West: Sunset Blvd. or Mulholland Drive.
- Distant Resources: 405 San Diego Freeway exit Sunset Blvd.

EVACUATION SITES:

BEVELRY HILLS/LOMA VISTA AREA
Thomas Guide Page 592 G5
Areas 31, 32, 33, 34, 35, 36

AREA DESCRIPTION:

The Beverly Hills/Loma Vista Area surrounds the Trousdale Estates. It includes the Greystone Park and Mansion. Cherokee Lane to the north, Sunset Blvd. to the south, City of Los Angeles/City of Beverly Hills boundary lines to the east and Coldwater Canyon Drive to the west border of this geographical location. This area is densely populated with heavy to medium brush and canopy type fuels. Loma Vista Drive and Beverly Drive would be the main access to this location.

SPECIAL CONSIDERATIONS:

- Number of residents – 549, Number of homes 683, Brush Area 0.5 sq. miles

EVACUATION OBJECTIVES:

- Evacuation of residents to non-hazardous areas
- Maintain clear access routes for emergency resource response
- Identify Primary/Secondary evacuation routes for canyon residents
- Develop traffic guidelines with PD/DOT control points
- Identify local and regional Red Cross Centers, Community Safety Areas
- Neighborhood Survival Sites for area residents

TRAFFICE PLAN OBJECTIVES:

- Prevent all traffic from entering the geographical area
- Prevent all northbound traffic and divert residents from area of impact
- Close westbound traffic at Doheny Road and Sunset Blvd.
- Close northbound traffic at Loma Vista Drive and Sunset Blvd.
- Close northbound traffic at Foothill Road and Sunset Blvd.
- Traffic southbound on Loma Vista Drive divert eastbound onto Sunset Blvd.
- Traffic southbound on Foothill Road divert westbound onto Sunset Blvd.

INITIAL PROPOSED PD/DOT TRAFFIC CONTROL POINTS

Foothill Rd. x Sunset	Loma Vista x Doheny Rd.
Loma Vista x Sunset	Cherokee x Coldwater Canyon
Rexford Dr. x Beverly Dr.	Sunset x Doheny Dr.

EVACUATION ROUTES:

Evacuation routes to be used by residents leaving the area of impact

Primary:

- East of Loma Vista Drive: take Loma Vista Drive south
- West of Loma Vista Drive: take either Loma Vista Drive or Coldwater Canyon Drive south

Secondary:

- Streets off of Doheny Road: take Doheny Road east or west

FIRE DEPRATMENT ACCESS:

Fire Department Access to the impact area
