## QUALIFICATIONS

Pursuant to PRC §769, the applicant for registration as a Professional Forester must:

- (A) Be of good moral character and have a good reputation for honesty and integrity.
- (B) Furnish evidence of having completed seven years of experience in forestry work.
- (C) Successfully complete an examination as prescribed by the Board of Forestry and Fire Protection.

Possession of a Bachelor of Science degree with a Major in Forestry will be deemed equivalent to four years of experience in the actual practice of forestry work. (A bachelor's degree not in forestry plus a Master of Forestry [MF not MS] degree will be deemed the equivalent of a B.S. in forestry.)

**PLEASE NOTE: If education is to be substituted for qualifying experience, a certified transcript must be sent directly from the college or university to the Executive Officer at the address shown below or to his Email: [dan.stapleton@bof.ca.gov](mailto:dan.stapleton@bof.ca.gov).**

At least three of the seven years of experience shall include having charge of forestry work, or forestry work under the supervision of a person registered, or qualified for, but exempt from, registration. Work completed prior to July 1, 1973, shall qualify if it was under the supervision of a qualified forester. The award of a Master of Forestry degree will be acceptable as evidence of one year of such qualifying experience.

Some forestry-related degrees, in addition to those specified above, will be accepted pursuant to Title 14, California Code of Regulations, §1621.4 in lieu of the required experience.

The applicant must meet the minimum qualifications as of the date of the application deadline. No exceptions.
