

YOU'RE INVITED!

JOIN THE EFFECTIVENESS MONITORING COMMITTEE

NOV 16 @ BOGGS MOUNTAIN 9:00 AM - 5:00 PM

DEMONSTRATION STATE FOREST, MIDDLETOWN, CA

The
Board of Forestry & Fire Protection's
Effectiveness Monitoring Committee
Presents:

**FIELD TOUR ON RESEARCH INTO THE
FOREST PRACTICE RULES AND RELATED
REGULATIONS AT THE BOGGS MOUNTAIN
DEMONSTRATION STATE FOREST**

Join key researchers and land managers from CAL FIRE's Fire & Resource Assessment Program, Board of Forestry & Fire Protection's Effectiveness Monitoring Committee, and research institutions to hear

about past, current, and planned research into the effectiveness of the Forest Practice Rules and related regulations, including slash management and salvage logging impacts; bark beetle and *Heterobasidion* infestations; and considerations for post-fire tree survival, sediment management, and logging.

Meet at South Lake County Fire Protection District - Station 60
21095 Hwy 175, Middletown, CA 95461: Doors open 8:30 AM,
EMC Meeting and presentations 9 AM, Field Tour 11 AM
Rain or Shine! Bring layers, umbrella, water, and a lunch.
